Background/Supporting Information:

This lawsuit arises out of a motor vehicle accident that occurred on February 23, 2012, when Mr. Belachew was struck by a City of Minneapolis Police squad.

Mr. Belachew's vehicle sustained \$2,156.08 in damage. He sustained injuries and incurred in excess of \$7,067.48 in treatment expenses. He continues to suffer difficulties as a result of his injuries.

Following negotiations with his attorney, we have reached a tentative settlement of Mr. Belachew's personal injury lawsuit, including property damage, against the City in the amount of \$7,500.00. This proposed settlement has been discussed with the Police Department and they are in agreement with the terms. We believe that the settlement is in the best interests of the City and recommend approval by this Committee.
